A. Luxe Glass™ Magnetic Whiteboard

The ultimate distinction in glass whiteboards, the Luxe Glass™ Magnetic Whiteboard takes your wall to the next level. With a surface featuring Corning® Gorilla® Glass technology, you can now have the best of ultra-thin glass, smooth dry erase writing surface, unmatched durability, and modern style.

- Floating appearance of .06" thickness of glass panel hovers weightlessly .25" from the wall.
- Luxe Glass™ is the finest in writing and erase surfaces.
- Full steel backing on the Corning® Gorilla® Glass surface allows for use of magnets (rare earth magnets only).
- The backer also functions as part of the simple hanging mechanism for the appearance of mid-air suspension.
- No ghosting, no staining and will last the life of your wall.
- Use any new chalk, neon or dry erase markers without worry. Even permanent marker is erasable on Luxe Glass™.
- Sized for modern spaces in 42", 60" and 78" diagonal.
- Other sizes and custom options available upon request.
- Has achieved GREENGUARD GOLD Certification.
